# MP40 Multi Purpose Laser

Now it's easy to do your level best

## IMPRESSIVE FEATURES THAT GETS RESULTS

The high-quality, affordable MP40 multi purpose laser helps turn every job into an easy, productive work session.

- Versatile. Offers automatic horizontal and vertical self-leveling capabilities with a 10% leveling range and three modes of operation.
- A remote option. A remote with integrated detector is available for easy, remote-control scanning and chalk line. Use it to vertical align, too!
- Rotating head stops for spot beam or chalk line.
- Never quits. Runs off alkaline batteries 160 hours, rechargeable batteries last 40 hours.
- Always accurate. Obtain a perfectly aligned, highly visible laser beam for horizontal and vertical planes with the MP40's unique "Tilt" function.
- Flexible. For use on high vibration areas.

## ABUNDANT APPLICATIONS FOR CONSTRUCTION & BUILDING

- Ceilings
- Partitioning - right angle layout included
- Flooring
- Framing
- Tiling

## THREE WAYS TO WORK SMART

- **Detector/Remote-Control mode.** Use the detector to work with the MP40 in both horizontal and vertical directions.
- **Scanning mode.** This mode is ideal when visibility in bright areas is a problem.
- **Chalk Line mode.** Use this mode for easy, short-range, interior jobs by rotating the cap manually on the rotating head.

## SETUP IS A SNAP!

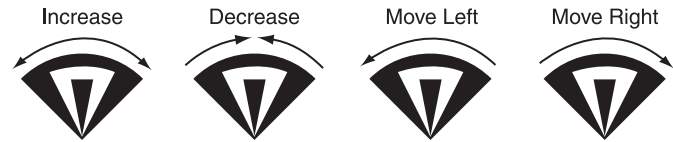

Simply mount the MP40 on a tripod or place it on the floor, get the laser roughly level, and the automatic leveling system does the rest!

## ACHIEVE A NEW LEVEL OF ACCURACY

Our unique "Tilt" function ensures a perfectly aligned laser beam for both horizontal and vertical planes. Plus, if the laser is ever disturbed, the MP40 automatically shuts off preventing inaccurate readings.

## FORGET THE USER'S MANUAL

Thanks to its clear key allocations, it's easy to operate the MP40 from the get-go.

## SPECIFICATIONS

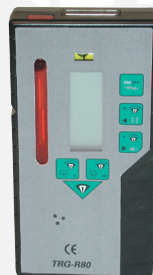

Working range	1,000 ft. (300m)
Leveling Range	+/- 10%
Accuracy	+/- 1/8" @ 100ft. (+/- 3 mm at 30 m)
Laser Diode	635 nm Class 3R, 2mW
Scanning Angle	From 10° to 48°
Variable Rotation Speed	60 to 530 rpm
Power	2 Alkaline Batteries (160 hrs) Rechargeable Battery pack (40 hrs)
Tripod Mount	5/8"
Size	6"x 6"x 6"; 3 lbs. (15x16x17 cm)

## PACKAGE INCLUDES

MP40 - Multi Purpose Laser  
R80 - Detector/Remote Control  
SC4- Carrying Case & Manual  
BDC41 - Battery Cassette  
CB60 - Target

## ACCESSORIES

Universal Wall Mount  
Rechargeable Battery Pack  
Tripods  
Rods  
Clamps  
Targets  
Charger

R80
